The Estonian Association of Foreign Language Teachers project “An International Examination” supported by the European Social Fund (ESF) ends on 30 September 2020. The students acquiring the qualification of a foreign language teacher (major or minor), and already qualified teachers of English, French, German and Russian – can take an internationally recognized language examination at the level B2, C1 or C2 and get reimbursed for the examination fee. By now we have conducted nine seminars to introduce the project, its aims and conditions, and discuss the contents of the international examinations for the teachers of English.

The presentation will take the form of a workshop with the participants practicing taking the Speaking Test in the context of CF, CA, CP and the IELTS. By the end of the session, the participant should feel an increased level of confidence to manage the speaking tasks included in the respective exams.

Looking forward to meeting you in Pärnu.

Ene Peterson,
Chair of the Estonian Association of Foreign Language Teachers,
project manager
